

The following corrections have been made to the Problem for the 17<sup>th</sup> Moot as it was originally posted on the Moot website on Friday, 2 October 2009

**Correction made and corrected Problem posted on Moot website Monday, 5 October 2009**

Page 33, paragraph 6. The quotation from the arbitration clause was made consistent with the clause as it appears in Claimant's Exhibit No. 3.

**Corrections made to the Problem at the time of publication of clarifications in Procedural Order No. 2**

Page 2. The correct date of the letter in Claimant's Exhibit No. 6 is 2008/08/02

Page 5, paragraph 7. The letter was from Mr. Barber to Mr. Haycock.

Page 18. The first sentence in the letter reads: "I am in receipt of your letter of 22 November" rather than "your letter of yesterday".

Page 33, paragraph 6. Clause 18 is set forth in paragraph 26 of the statement of claim and not in paragraph 25.

Page 33, paragraph 7 and page 41, paragraph 2. The Chief Executive Officer of Super Pumps was Mr. James Stecker.

Page 34, paragraph 13. The failure of the conciliation was described in paragraph 23 of the Statement of Claim and not in paragraph 22.

Page 34, paragraph 13. The fourth sentence begins: "There were slightly used pumps for sale in Mediterraneo ..." rather than in Oceania.

Page 35, paragraph 17. The words "requests the tribunal" were deleted one of the two times they had appeared.

Page 36. The first sentence refers to "irrigation project IR 08-08-45Q". The project was, of course IR 08-45Q.

Page 43. It is Equatoriana Super Pumps S.A. rather than Engineering that has no comments to make.

Page 45. The first sentence of the letter refers to Article 10.1 rather than to section 10.1.

Pages 46 and 47. The numbering of the paragraphs was incorrect.
